## **SCIENCE DOC DAY AT THE TRIESTE SCIENCE+FICTION FESTIVAL 2020**

### **Focus on internationalisation, sales and science documentary**

The Science Doc Day is organised in collaboration with EURASF and with the participation of Doc/it – Italian Association of Documentarists. Free access to webinars + one-to-one meetings (upon registration) for all EURASF members!

On **Tuesday, November the 3rd 2020** the programme of the Trieste Science+Fiction Festival will host the **Science Doc Day** – a one-day programme of webinars, conferences and networking events dedicated to **science documentaries**. The event will feature an overview on the trends and opportunities offered by the science documentary industry, a presentation of the 2020 edition of the **World Congress of Science & Factual Producers 2020** by its director **Paul Lewis**, and a session of **one-to-one meetings** with professionals of the field. Among the confirmed attendees: **Jessica Harrop** (Sandbox Films), **Pauline Mazonod** (Windrose), **Marita Hübinger** (ZDF/ARTE), **Patrizia Mancini** (Sunny Side of the Doc), **Markus Nickel** (Global Media Consulting), **Monica Bartoli** (Rai Documentari), **Anna Ferens** (TVP – Telewizja Polska), **Massimo Arvat** (Zenit Arti Audiovisive).

The event is part of the **Fantastic Film Forum**, the section of the Trieste Science+Fiction Festival dedicated to audiovisual professionals: this year's edition boosts its programme and expands to five days, focusing this year on **internationalisation** and **sales**. The Fantastic Film Forum 2020 will take place **online from October the 30th to November the 3rd**, with a rich calendar filled with events: an intensive workshop on co-production and sales, a **two-days session of one-to-one online meetings** and lots of panels and conferences.
